Dear customer,

You have made an excellent decision by opting for Rieter machines.

Our After Sales service will do everything possible to make sure that you do not have any cause to regret your decision for years to come.

Please use only original Rieter spare parts. These spare parts are always state-of-the-art and your guarantee for first-class materials and high-end processing. Please also note that Rieter is not responsible or liable for any damages to machines if this is related to spare parts or retrofits that have not been purchased directly from Rieter or through Rieter-authorized agents.

Notices on the Catalog Usage

In order to ensure a fast delivery of the spare parts, please obey the given general information.

Important Information

In the spare parts list, in the column "Spare Part", you will find the symbol  or . On the drawings you will find the eye symbol or further instructions.

Symbol	Meaning	Explanation
	Recommended spare part	Preventive stocking of the most important spare parts to keep your production ongoing is a calculable risk for you. Therefore, we have marked the most important spare parts for your machine with this identifier. Benefit from Rieter's experience. Your Rieter Parts Service will be pleased to provide a quotation for these recommended parts on request.
	Limited guarantee	Timely replacement of parts that are subject to normal wear and regular maintenance will ensure a high degree of utilization of your machine. As agreed in section 11.7 of the General Terms and Conditions of Purchase and Delivery, the guarantee is excluded for damage that is caused by continued use of worn parts or inadequate maintenance, and for the parts themselves which must be replaced due to natural wear.
 110	Cross-reference	Connecting parts with this assembly can be found, for example, in chapter 110.
 Option	Cross-reference	Additional material numbers that correspond to this catalog number can be found with other parameters in the appendix Option.
	Note	The assembly is shown rotated by 180°.
L 001 / R 002	Note	Catalog number for left machine side (e.g. L 001) or right machine side (e.g. R 002).
